Financial Report

As of Sunday, April 29, 2012,

The account balance was \$4626 (This is approximately \$2200 less than the same time last year.)
We are \$2791 above our prudent reserve (\$1668)
This is an increase of \$1167 from the last report.

See the attached Treasure's Report for more information. Please check to make sure all checks sent in are represented there. Note: Contributions made in March and April are both reflected in the column for April. The district treasurer can be contacted at magura@naturepreserved.com.

OLD BUSINESS

Website

Leighton L. reported on the status of the new website. Feel free to visit the site at its staging location: d33.gatecitywebthings.com. The site will be published at the usual address (<http://www.aanc33.org/>) once a few more functionalities are complete (within the next couple weeks). Any upcoming events can be published on the calendar of events- emails those to

Leighton (leightonloraine@earthlink.net). There will be links to AA pamphlets on the GSO site. Also, groups have the option of writing a blurb about their meeting to go with the listing. Email blurbs to Leighton.

NEW BUSINESS

Grapevine

Rick S., co-chair of the Grapevine Committee, brought it to the attention of the district that they have sold out of their current inventory. They returned all of the seed money originally put up by the district to fund the project. Given that the committee has sold out of inventory 2.5 times in the last 4 years, Rick requested that we continue the project by reinvesting the money. After reviewing the district's financial situation, which has an upward trajectory and is well over its prudent reserve, the motion passed unanimously.
