Committee Reports:

DCM: Sam H. wished everyone a Happy Founder's Day and gave report on the Spring Assembly. He suggested everyone seriously consider attending the Fall Assembly as it is an Election Assembly. Minutes from the Spring Assembly can be found at our Area Website @ aanorthcarolina.org.

Website Committee: Jim H announced the new website is up and running. There are several corrections, additions, etc to be made once we have instructions and learn how to operate back office. The Committee has a scheduled meeting with the website provider on the 17th to learn the ins and outs of our site. They will also discuss website maintenance and whether an outside contract is needed or not.

Tel. Answering: Ed McG reported the District had 31 calls and 14 of these were directed directly to Ed because they were from women. Tel. service had difficulties contacting women to respond due to a shortage of women. We need more female volunteers.

Grapevine: Rick S reported he has received the new Grapevine literature and has attended several Group anniversaries. Sales have been made at all of the events.

Treasurer's Report: Joe M reported a District balance of \$3808.77 which is \$2140.00 above our Prudent Reserve. Sam H noted that the District had formerly determined to make Area and GSO distributions of excess above reserve following completion of the website project or by the end of the year.

Business: Website discussion and comments, several Group Inventories reported. **GSRs were asked to present to their groups a service opportunity at Alamance Regional Medical Center on Tuesday evenings and report back at next meeting.**

Group Anniversaries: Wild Bunch (June 20th), Rule 62 (June 30th)

NC Convention.....July12-15.....Charlotte, NC

Respectfully submitted,
